

# THE WITCH AND THE HORROR NIGHT OF HALLOWEEN

Once upon a time there was a witch called Bloodoree who didn't like Halloween, so she wanted to get rid of all the people that celebrate this tradition.

-Mmmh what could I do to get rid of those horrible people? Yes, I have a great idea. She said wickedly.

Her idea was to take a skeleton and make a potion but first she needed all the ingredients:

-Ok, I have frog eyes, dog's bone, horse fur, troll snot and the most important thing, the skeleton but from where I can take a skeleton?

The days were passing and Bloodoree didn't know where to get that skeleton, so she decided to leave it but when she was going to give up they knocked on the door.

-Who is it? She asked very sad.

No one answered so she opened the door. She couldn't believe it, it was a skeleton! But who left the skeleton there? She didn't know it so she decided to take it inside.

-Ok, now I have all the ingredients! Hahahaha! They are going to lose their desire to celebrate Halloween.

Bloodoree started making her potion with all the ingredients

-Frog eyes, dog's bone, horse fur, troll snot and this will end in a blink of an eye. Pufffff! Oh magic how I love you!

She put a drop of the potion in the skeleton. She was waiting and waiting and nothing was happening. Bloodoree was very surprised she didn't understand anything. Making her snaks something was moving but not walking it was running in the house.

-There is someone out there?- she asked.

In the middle of the night screams began to be heard and she started being afraid of what she did.

In the morning she found the skeleton but it wasn't in the place where she lived.

-Hello dear friend!- the skeleton said.

-Wait! Have you talked to me?

-Yes friend!

-Oh! So you are going to do what I tell you, true, because I have given you life?

-Yes friend!

-Ok! But you can stop saying YES FRIEND you are making me nervous.

Bloodoree started connecting with the skeleton.

-You are going to frighten those people.

-Yes friend!

Halloween night started and lots of people started to pass through the area but something didn't not go according to the plan because the kids weren't scared and they started entering Bloodoree's house.

-Lady you can give us sweets and tell us a scary story please.

-No.... Yes, sit down.

-Yessssssssssssssssssssssssssssss!-They screamed all together.

And since that day she always invites all the children of that town to her house to tell them horror stories.

And this the story about a witch who hated Halloween and thanks to some children she learned that is just a party for having funAnd since that day she always invites all the children of that town to her house to tell them horror stories.
